**He will open and close his ramp door
a dozen times today.....**

Better be sure it works!

It's no secret that ramp doors have to be dependable easy operating workhorses. That's why smart trailer manufacturers use M-3 ramp door springs. M-3 designs and builds the best, most reliable cost effective ramp door spring assists available. M-3 spring assists are available in single or double models and cover a wide range of size and door requirements.
