

# The Choice Is Yours!

*M-3 offers Bar Locks in a wide choice of finishes and **colors**.*

**Black E-Coat**

**Metallic Silver Powder Coat**

**Chrome Plated**

**Metallic Red Powder Coat**

We've made our great line of field-proven bar locks even better by giving you a choice of finishes and colors. Now in addition to zinc, chrome, aluminum, or black e-coat -- you can select virtually **any color**

imaginable in a durable powder coat finish. The robust finish has built-in ultra-violet inhibitors so it won't fade, plus it offers superior rust protection. Get all the facts on this great choice today.
